

Poinsettias for P.R.

Buy a Poinsettia = Help Kids in Puerto Rico!

Dear Friends & Family:

Thank you for supporting our prior Poinsettia Fundraisers! This year, our goal is to help the Boys & Girls Clubs of Puerto Rico (the Club).

The Club is a non-profit organization with 50 years of service in after-school programs and services for girls and boys between the ages of 6 and 18. After the hurricane, the Club was transformed into a shelter. The primary concern of their organization is the safety and well-being of the young people and

families they serve at their 13 Clubs around the island. As part of their community outreach work, they have channeled food, water and primary care supplies and distributed them to the different communities. Additionally, they are providing services to kids and youth to provide a safe place for them as their families rebuild their homes and their lives.

At Kadar Orthodontics, our goal is to support the health and well-being of children! We are asking for your help during this holiday season. **Please consider purchasing a Poinsettia plant for your home or business. For orders of ten or more, we will deliver!!** All proceeds will be donated to the Club to help rebuild Puerto Rico!! If you prefer, visit www.bgcpr.org to make a secure, online donation.

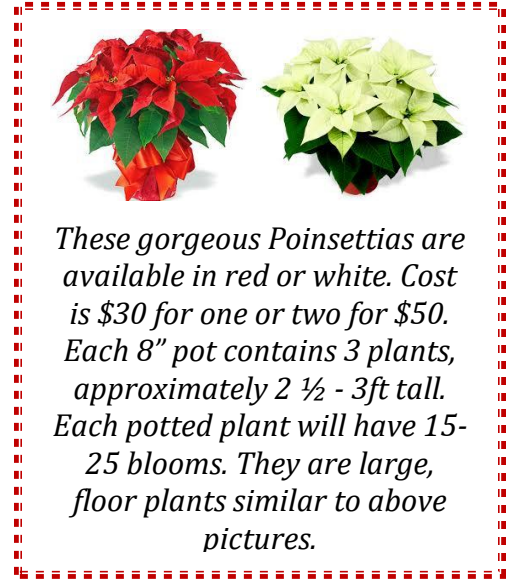

We wish you and your family Happy Holidays!! ---- Lori & Tom Kadar
